

PLANET BINGO

Planet Bingo is located at 2655 Main Street (between 10th and 11th Ave.)
The bingo hall is 3 stories and briefly, the volunteer job entails assisting staff members.

- Greeting people at the door, assisting handicapped people, handing out and collecting raffle forms to patrons, running cash to the second floor teller counter and basically helping out when staff are busy. The supervisor (dressed in a black suit) usually sits behind the counter which is to your left as you enter and she will give you odd jobs to do when you ask. (The Planet Bingo Guidelines are the most current instructions, as of April 1, 2008 the venue is non-smoking and the bingo playing area will be contained to the 1st and 2nd floor).

There is a volunteer apron and badge which is required to be worn to identify the volunteer and association at Planet Bingo. These items are located at Killarney Community Centre reception in the VKMLA mail slot or at Planet Bingo.

Sign-in: at the counter to the left as you enter. You will need to put your name, association and time of arrival. There is a flip board to the left just as you come in the door and you will need to flip through it to find the lacrosse association page which you will display to let people know who is volunteering for the shift.

There is a employee room on the third floor – as you enter the third floor bingo area you will go directly to the back (I think there is an exit sign), go through the doors and turn right then left, you will come to a door with a push button lock system. (the combination is 4-3-2-1 which will give you entrance to the room, please confirm the number with the supervisor on shift). There are a number of lockers but you must bring your own lock to lock it.

Thanks very much.

Vancouver Killarney Minor Lacrosse Association

**Unfortunately due to changes in bingo table arrangements it is no longer feasible for a wheelchair handicapped person to volunteer.
